Dear Parents and Caregivers

Thursday is Whole School Cross Country.

This year the event will be held at the Awatapu Lagoon.

We will walk down as a school and return as a school group afterwards. We recommend that children have footwear for both the walk down and the cross country run. If your child requires any sort of medication e.g. a Ventolin inhaler, please ensure they have it with them. Children will also require a drink and something warm to put on after their run.

The interschool cross country will be held next week for those Senior competitors who do well in their respective age groups.

After the Cross Country we will have a Sausage Sizzle and Drink Fundraiser Lunch at school for the Senior camps.

If you would like to order a sausage, please complete the form at the bottom of this newsletter.

We welcome Mrs Sue Berryman to our school this week.

Sue is teaching with Mrs Dale Smith in Kowhai while Mrs Hulse is on extended sick leave.

Our 'Growing Great Learners' focus this week is on:

Making an individual flag for World Peace Week in week eight.

This week we will be focusing on what kind of behaviours make us feel and act in a peaceful way when we are interacting with others.

A reminder from the Rheumatic Fever team that Strep throat is very prevalent in our area.

Sore Throats aren't Cool !! Get it checked every time!

Strep Throat is a Sore Throat caused by the Streptococcus "A" bug.

The bug that can cause Rheumatic fever.

SQUASH

It was good to see parents taking the opportunity to see how much progress their children have made at the conclusion of their Five Week Squash Teaching Programme.

The second group of Senior Students will begin their Five Week Programme this week

ART DISPLAY

Next Thursday and Friday
will be our Art Display.

All students have been working on producing a piece of art in the style of a famous artist.

These works will be on display in Puka for parents to view – details in next week's newsletter.
