MATHS LEARNING

A favourite part of my day is when tamariki share their learning and thinking with me.

Vanessa, Manaia and Kymani were very excited as they shared their Maths learning with me this morning. They had read the problem, clarified what they didn't understand, used their 'doubles knowledge' to solve the problem and then shared their thinking with other members of the group.

JUNIOR LEADERSHIP CAMP

I am receiving regular updates from Mrs Byrne who is in Taupo with Richard Hamer, Blue Light Whakatane, Constable Maree and twelve of our student leaders.

There are some photos on our facebook page.
