All money raised will be donated to the Muslim families in Christchurch.

## Growing Great Learners

This week we are learning to work, learn and play with others either in a team or with a friend. Each day we are focussing the learning on a different aspect:

**Mon:** I will ask to join a game with people I don't ordinarily play with

**Tue:** I will work cooperatively with my team to achieve our goal

**Wed:** I will help my friends to play fairly

**Thu:** I will respond appropriately if I get hurt during a game

**Fri:** I will put my new skills into practise inside and outside the classroom
